vitamins & supplements in cancer care: Vital or Superfluous

DATE: October 7, 2010

event:

The event will focus on identifying **herbs and supplements to support the health of oncology patients**. Studies indicate that for many cancer patients complementary therapies control pain, fatigue, nausea, anxiety, depression and other symptoms. Importantly, many of these interventions produce long-lasting improvement.

Where: Denver Athletic Club

Time: 5:30pm-8:00pm

Cost: \$35.00

R.S.V.P.
